

# REMINDER

Please remember to keep your apartment clean and please bring all garbage to the dumpsters. We ask that an adult please bring the garbage to the dumpster because children cannot reach the opening to the dumpsters and the garbage ends up on the ground next to the dumpsters.

I.P.M will not be doing inspections in your apartment until quarantine has been lifted. Therefore, it is important that you keep your apartment clean and make sure you take all garbage out to the dumpster.

Thank You

RHA Staff
