

Dear HOPE Pantry Guests &  
Volunteers:

The rise in food costs has also created a rise in food insecurity. Due to a shortage at the Northeast Regional Food Bank the HOPE (Helping Other People Excel) Drive Thru Pantry has been scheduled as an every-other-month opportunity. We regret the impact that this has on the families of Rensselaer and the Capital Region. We will host our next HOPE Drive Thru Pantry during the month of April.

In Service,  
Pastor Ken
